Sebastian Buczek - amazonian introduction in 07.
and the big thanks for these people who left some nice midi files in the internet. they were usefull.

who made cover photo - don't remember. if you know - tell me.
thesign by TC.

videos by TC, with help from Klara and Kornel Kucharczyk.

please note:

THE SHRINE is a not official release. when it will become official one beautifull and sunny day, then publishing details will be added.

THE SHRINE is a kind of tribute album, and I was working on it for years. and I say love to all these beautifull artists. I am not myself without them.
